‘The Antelope Restaurant raises money for school’s new out door play equipment’

The children of Wharton Primary School are to benefit from money raised during a fundraising ‘Curry Night’ held at The Antelope Restaurant in Walkden. Families, staff and friends came along for a fabulous night sampling some of the wonderful Asian dishes and taking part in competitions and raffles, raising money for the school.

Andrea Leigh, a member of the Wharton Primary School Parents Comity that organised this event said, “The staff at the Antelope where great and made this a really successful night. Both the parents and the school are very grateful. The money raised will go towards making a better environment for our children.”

Restaurant Manager Rofe Miah added “We like to get involved with the local community and help where we can. It’s nice to give something back and show our appreciation to customers for there support over the years.”

The Antelope always tries to support local events where possible – donating gift vouchers for other good causes to be used as raffle prizes etc. Its sister restaurant The Cottage in Warrington recently raised £1000 for Callands County Primary School with a similar event.

Learning Mentor at the School Ms Henderson who’s grandparents previously lived and ran the Antelope in its former state as a public house said “being in side the restaurant brought back a lot of fond memories and I thoroughly enjoyed the evening”.
